

# LEBANON EMERGENCY FUNDRAISER

Lebanon is facing one of its most severe humanitarian crises in years, as a sudden surge in violence and mass evacuation orders force families to flee with nothing. With more than **1.1 million people** displaced, communities are already pushed to the brink by years of economic collapse, poverty and failing essential services.

## How your donation helps Lebanon's most vulnerable:

**\$65**

can provide 10 ready-made meals distributed to impacted families.

**\$135**

can provide a week of cash support for one person to meet their essential needs.

**\$255**

can provide basic medical care to 15 people.

**\$1,000**

can provide a year's education for a child living in a Caritas shelter for survivors of trauma.

## How will your support help?

Our partners on the ground are providing vulnerable communities with vital support, including emergency shelter, support for basic essentials, access to food and water, and health and psychosocial support.

### In partnership with Caritas Lebanon, we have supported:

**37** centres offering rent support and cash assistance for bills and school fees, with up to 5,000 new people seeking help each week.

**10** primary healthcare centres and 8 mobile clinics delivering diagnosis, treatment, mental health services and distributing essential medications.

**80** hospitals receiving secondary healthcare support, covering part or all hospital fees for vulnerable people.

Shelters for women seeking protection and escaping gender-based violence.
